Directors Absent: Joe Stebbins and Bill Stimpert

Larry called the meeting to order at 1:30 pm

Doris Last read the memorial report

Last meeting minutes were read and approved

Treasurers report was read and approved

Larry hauled wheat to Flagg to sell. Lamm Bros. let us use their trucks to haul it at no cost to the club. It was suggested that we sell wheat next year because it was thought we could make more money on it. Others suggested that oats sell quicker. It was tabled for the board to decide.

One of the people wagons will be taken to Beltline Café to advertise upcoming Train of Terror dates. Dates are October 6, 13th and 20th. Volunteers are needed on flat cars, caboose and to help decorate train station for upcoming dates. Ida may need volunteers at lunch stand also. There are three spots on the left of side track that need to be filled with scenes yet. Contact Ronnie Piefer if interested.

Soup Days will be October 6 & 7 from 11am until 4pm. Ida will send a sign-up sheet around for ingredients needed for soups. Thanks to those who've already donated.

Larry suggested that Greenfield's be contacted about picking corn out early and chopping stalks so fields can be used during Fall Harvest demonstrations. Dates for Fall Harvest are October 20 & 21.

Nina Mueller has resigned doing the flea market and Ed Keech has resigned doing camping duties during the annual threshing show. These two spots will need to be filled before next year's show. Contact Larry Buttel if interested.

September 22nd is the deadline for next newsletter.

It was question if we should have a show next year. Club lost money again this year due to date changes. The fair board is locked in at their date until 2013 season. Next year will be our 44th year. Massy Ferguson will be the feature exhibit. Gasoline alley will exhibit Stover line. Ed Keech to call Harry Bowen to see if he would be interested in being in charge of the feature or know someone who can.

Train of Terror posters are available for those who want to take and post at businesses.

Congratulations to Jerry and Kay Klever on their 40 years of wedded bliss!

Goody bringers were Judy, Betty, Esther, Ida, Jerry, Kay, and Lucy.

Motion to adjourn meeting by Spencer Yeoman and 2nd by Kay Klever
