### **Old Business:**

Pancake supper was held April 6, 2013. There was a good turn out and the kitchen help received rave reviews on the food! Ida DeBoer thanks everyone that helped that night; she couldn't done it without you! The museum made \$700.00 profit from the supper and \$257.00 from the bake sale. Job well done!

Ron Pieper reported that the bridges for the railroad need to be inspected yet and we are waiting for another bid from a company out of Rockford who does this and repairs. The bid should be coming within the next week or so. It was decided not to go with Fehr Graham at this time.

Kerry DeBoer went to Dyersville Iowa to pick up the toy tractors that the club will be selling at the Threshing show. They are \$55.00 each and have a small plate on the fender that says the "Freeport Show" and the shows date. The model is a Massey Ferguson 50. If interested, contact Kerry at 815-275-1731 to get one reserved.

Sara DeHahn set up a booth for the Bunny Trail at Krape Park. Had many little visitors who received a free train ride ticket and got to color and assemble an engineer's cap.

Jerry Kubatzke said we can change the threshing show back to its original dates, the last weekend in July. The fair is not changing their date at this time. Some members voiced concerns in regards to getting on the grounds soon enough to get things set up. Steve suggested that we see how soon the fair pulls out this year and make decisions then.

**New Business:**

Kerry and Terry DeBoer have put an ad in the Legacy magazine for the show. It's a magazine that is for Massey enthusiasts and will hopefully generate more participants.

Elizabeth Historical Society would like brochures and posters sent to them. Steve Rognas said he will take care of this.

Chairman for the Ag Breakfast would like someone from the club to run the people wagons and have a booth to hand out literature. The breakfast is June 22<sup>nd</sup>, 2013, from 6-10am and we would receive \$50.00 to do this. Kerry will get some people together to do this.

Many members were on hand to move items from the depot and gift shop to avoid getting damaged by the flood. Since that has worry has passed, help is needed to return those items back. Talk to Etha Stimpert or Mary Seefeldt-Swanson if wanting to help.

Rose Reeter is celebrating her 80<sup>th</sup> birthday at the Jane Adams Community Center in Cedarville on April 21, 2013. Those interested may stop by after the meeting.
